- b. An individual can qualify as a candidate for district-level delegate or alternate to the 2008 Democratic National Convention by filing a statement of candidacy designating his or her presidential or uncommitted preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the SBE by December 3, 2007. - d. National convention delegate and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate (including uncommitted status). (Rule 12.E. & Reg. 4.23.)
 - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate (including uncommitted status) has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and inclusion considerations and goals detailed in the Affirmative Action section of this Plan No later than December 11, 2007.
2. Fair Reflection of Presidential Preference
- a. Presidential Primary - Proportional Representation Plan (Rules 13.A., 13.B. & 13.D.)

The Maryland presidential primary election is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15%
 - b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the vote received in that district by the front-runner minus 10%. (Rule 13.F.)
 - c. In the event that a presidential candidate is eligible to receive delegates and alternates, but fails to slate a sufficient number of delegate and alternate candidates **in a particular congressional district**, the Democratic State Central Committee **members of the same presidential preference from that district** shall elect sufficient delegates and alternates pledged to that presidential candidate (Rule 13.C.)
 - (1) Selection of these delegates and/or alternates will occur at a meeting of the State Central Committee on **May 1**, 2008 before the selection of unpledged add-on delegates and PLEO delegates.
 - (2) The selection of these delegates and alternate positions will uphold the equal division and affirmative action provisions outlined in this plan.
 - (3) An individual can qualify as a candidate for any such delegate or alternate position by filing a declaration of candidacy with the Maryland Democratic Party from April 1 to April 18, 2008 during regular business hours. Every declaration of candidacy must be accompanied by a pledge of support for the Democratic presidential candidate or declaration of uncommitted status, for which the positions are vacant Equal Division of District-Level Delegates and Alternates.

- (4) The State Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), no later than April 21, 2008, a list of all persons who have filed pledged to that presidential candidate. Each presidential candidate, or his authorized representative(s), must then file with the State Chair by 5:00 p.m. on April 26, 2008 a list of all such candidates he or she has approved, provided that approval is given to at least **three** times the number of candidates for delegate and alternate slots to be selected. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate, or the authorized representative(s), unless signified otherwise in writing to the State Chair no later than April 26, 2008.
- a. In order to ensure the district-level delegates are equally divided between men and women, delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of delegate positions, alternating by sex as mathematically practicable, will continue with the next highest vote-getting preferences in descending order until the gender of each position has been assigned. (Rule 6.C.(1) & Reg. 4.8.)
 - (1) Equal division of delegates at the district level will be achieved by listing district level delegate candidates on the ballot in separate categories for male candidates and female candidates.
 - (2) In districts with an odd number of delegates, the first delegate selected for the winning presidential preference must be of the same sex as the advantaged gender in that district. Following that determination, the allocation would continue alternating by gender for the winning presidential preference and any subsequent preferences. In districts with an even number of delegates, the highest vote-getting delegate candidate for the district's winning presidential preference will be the first delegate assigned. Following that determination, the state will then designate the remaining positions for that presidential preference and any subsequent preferences alternating by gender, as mathematically practicable.
- b. After the delegates are selected, the alternates will be awarded using the same process described above.
3. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within three (3) days after their election. 2. Members of the Convention Standing Committees need not be delegates or alternates to the 2008 Democratic National Convention. (Call, VII.A.3.)
3. These members will be selected in accordance with the procedures indicated below. (Rule 1.G.)

B. PERMANENT STANDING COMMITTEE MEMBERS

1. Selection Meeting
 - a. The members of the standing committees shall be elected by a quorum of Maryland's National Convention delegates, at a time and place to be announced, at a meeting held on May 14, 2008. (Call, VII.B.1.)

- b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. (Call, VII.B.1.)
 2. Allocation of Members
 - a. The members of the standing committees allocated to Maryland shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 13.E. of the Delegate Selection Rules. (Call, VII.C.1. & Reg. 5.7.)
 - b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Maryland. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (Call, VII.C.2.)
 - c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (Call, VII.C.3.)
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (Call, VII.C.4.)

 - b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by the date of the delegation meeting, a minimum of one (1) name for each slot awarded to that candidate for members of each committee. Presidential candidates shall not be required to submit the name of more than one person for each slot awarded to such candidate for members of standing committees. (Call, VII.D.2.)

Maryland's affirmative action goals and that their respective members are equally divided between men and women. (Rule 6.I. & Reg. 4.9.)

- b. Each position on each standing committee shall be assigned by gender. For example, the first position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a female, the second position for a male, and the remaining positions shall be designated in like fashion, alternating between males and females. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by sex, the designation shall continue with the Platform Committee, then the Rules Committee.
 - (1) A separate election shall be conducted for membership on each standing committee.
 - (2) The membership of the standing committees shall be as equally divided as possible under the state allocation; if the number is even, the membership shall be equally divided between men and women; if the number is odd, the variance between men and women may not exceed one (1), and the advantaged gender must not remain constant for the three standing committees. These constituency percentages shall be established as goals for representation in the state’s convention delegation. (Rule 6.A.)
- 2. The State Party has determined the demographic composition of members of the LGBT community, people with disabilities, and youth in the state’s Democratic electorate through data supplied by the relevant constituency caucuses at the DNC. The State Party has chosen to establish these percentages as aspirational goals for representation in the state’s convention delegation.

	African Americans	Hispanics	Native Americans	Asian/Pacific Americans	Youth	LGBT	Persons with Disabilities
% in Democratic Electorate	30	4	n.a.	4	13	5	8
Numeric Goals for Delegation	30	4	n.a.	4	13	5	8

- 3. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and unpledged) shall be compared with the State Party’s goals in order to achieve an at-large selection process which helps to bring about a representative balance.

4. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for the State Party to conduct outreach activities such as recruitment, education and training. (Rule 6.A.(3))

(Rule 6.I. & Reg. 4.9.)

F. INCLUSION PROGRAMS

As part of its commitment to other groups that may be underrepresented in Party affairs, the Maryland Democratic party will develop a plan to secure the full participation in the delegate selection process of LGBT Americans, people with disabilities, and youth commensurate with each group's participation in the state's Democratic electorate.

1. In order to achieve full participation of other groups that may be under-represented in Party affairs, including members of the Lesbian, Gay, Bi-Sexual and Transgender (LGBT) community, people with disabilities, and youth the Maryland Democratic Party has adopted and will implement Inclusion Programs.
2. The State Party has taken reasonable steps to determine the composition of members of the LGBT community, people with disabilities, and youth in the state's Democratic electorate.
3. In securing this level of full participation, the State Party will conduct the education and publicity outreach efforts outlined in Sections B and C of this Section respectively.
4. The State Party will make accommodations to facilitate greater participation by people with disabilities.
5. To accomplish these goals, the Maryland Democratic Party will:
 - a. Identify and appoint a staff person to seek out leaders within each community – African American, Hispanic American, Native American, Asian American Pacific Islander, LGBT

- American, ethnic, youth, seniors, and people with disabilities. Appoint at least one member from each constituency to the State Party's Affirmative Action Committee. These appointees can be the constituency point person described above, or other leaders from the specific communities.
- b. If the State/Territory Party does not already have established constituency caucus groups, Party leaders should meet with key Democrats within each Base community to encourage them to establish a Caucus organization – for at least the presidential election cycle. The State Party would commit to educate members of each Caucus about the delegate selection and outreach process, and provide them with the information they need to successfully participate in the process. In turn each Caucus will be asked to assist the Party with community outreach and delegate training.
 - c. Ensure the State Party's press lists include specialty media outlets (weekly or monthly newspapers, magazines and newsletters), and distribute information about the Delegate Selection Plan to each specialty media outlet during the 30-day public comment period before the State Central Committee approves the plan. It will also send media advisories and press releases to the specialty press to keep each Core community informed about the Democratic Party, our elected officials and candidates, as well as our Platform, programs and accomplishments.
 - d. Make sure delegate training programs include segments targeted at Core and Base Vote delegate candidates. This will include Base Vote delegates from previous conventions and other leaders familiar with the process in the delegate candidate training segments.
 - e. Reach out to build interest in the process and recruit delegate candidates by hosting training events at constituency-based community centers or at meetings of local Democratic groups. Also, provide copies of materials related to running for delegate to local businesses owned and patronized by the particular base communities for distribution.

The State Party has twenty-one (21) days to render a decision. Within ten (10) days of the decision, any party to the challenge may appeal it to the Rules and Bylaws Committee. If in fact, the State Party renders no decision, any party to the challenge may request the Rules and Bylaws Committee to process it. The request must be made within ten (10) days after expiration of the above twenty-one (21) day period. (Regs. 3.4.C., E., & H.)

3. Performance under an approved Affirmative Action Plan and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If a State Party has adopted and implemented an approved affirmative action program, the State Party shall not be subject to challenge based solely on delegation composition or primary results. *(Rule 6.B.)* The procedures are the same for challenges alleging failure to properly implement the Affirmative Action section of a Plan, except that such challenges must be filed not later than thirty (30) days prior to the initiation of the state's delegate selection process. *(Reg. 3.4.C.)*
4. Depending on the appropriate jurisdiction (see Section VIII.A. above), implementation challenges must be brought in conformity with the Regulations of the Rules and Bylaws Committee or the Rules of Procedure of the Credentials Committee, which should be consulted for a detailed explanation of challenge procedures.
